)	
LAFAYETTE BYRON DORSEY,)	
)	
Defendant.)	

Lafayette Byron Dorsey, states as follows:

1. That I received and reviewed the Unopposed Motion for Continuance of Date for File Pretrial Motions and Continue Trial Date. After reading the motion, I have had the opportunity to discuss this motion with my counsel and understand the necessity for the filing of the motion and agree that the motion should be filed. Specifically, I understand that the additional time requested by my counsel may be excludable time for the purposes of computing any Speedy Trial Act deadlines and continue to believe that the motion should be filed and granted.

2. That I understand the filing of this motion has the effect of excluding days otherwise countable under the Speedy Trial Act so that my trial date might not be as soon as it otherwise would without the filing of this motion. I agree and understand with the filing of this motion taking into account the Speedy Trial Act and request that the Court grant the motion.

Pursuant to Title 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Executed on this 4th day of September, 2012.
